Calling ALL Volunteers

If you can help with any job for any event, please let the respective Chairman know. We want to offer a show with all venues represented throughout the weekend, but we need YOU to make it happen. Thanks to everyone in advance!!

Pre-entries must be postmarked between February 8, 2010 (opening date) and March 10, 2010 (closing date).

ASCA RULES STATE ENTRIES WILL BE FILLED BY POSTMARK DATE ORDER. OVERNIGHT ENTRIES ARE NOT NECESSARY! ENTRIES REQUIRING A SIGNATURE WILL NOT BE ACCEPTED.

If the trial fills a waiting list will be maintained with names added by postmark date. Please include your e-mail address for confirmation of entries. Entries are non-refundable after the closing date.

**Mail entries to Cheryl Padgett, 1050 Bart Manous Rd, Canton, GA 30115.
Make checks payable to GAASC.**

The correct entry fee must accompany each entry form for a valid entry. Postdated checks do not qualify as a valid entry. Checks returned for insufficient funds will be considered a void entry. GAASC charges a \$25 service charge for returned checks. Entry forms can be downloaded from the ASCA website at <http://www.asca.org/FormsandRuleBooks> under the heading of "Stockdog Forms."

All move-ups or changes **must** be handled by the course director, prior to the start of the trial. If you want to sell or give up your run, the course director will fill your run from our waiting list. Runs will be sold until stock capacity is reached (trial is full). You may only substitute your runs with dogs you own or co-own, after the closing date is reached. If trial is full and we can resell your run, you will receive a refund. Remember, all changes must be handled by the course director, no exceptions.

Stock trials will run concurrently. Each class of stock for the first trial will be completed before the same class of stock for second trial begins. For example, cattle from the first trial will be complete before cattle for the second trial begins. Ducks for the first trial might be running at the same time as cattle for the second trial. Then the second duck trial might be running at the same time as the first sheep trial sheep. We make every effort to keep both arenas running efficiently and need your cooperation. If you need to know whether your first run qualified to move up for the second trial, please see the course director, not the judge.
