Titling Class Descriptions:

Regular – The regular class contains all the agility obstacles. There is a specified course that the dog must follow. Faults can be incurred for things such as knocked bars, missed contacts and wrong courses. A clean run earns a dog a 10 point Q. A run with 5 or less faults will earn a dog a 5 point Q. 30 points are required to title at each level.

Jumpers – The Jumpers class contains jumps and tunnels. There is a specified course that the dog must follow. Faults can be incurred for things such as wrong courses or knocked bars. A clean run earns a dog a qualifying score. Two qualifying scores are required to title at each level.

Gamblers – A two part game where the handler guides the dog through a course of his choosing in an attempt to earn points during the opening period. At the end of the opening period, the handler directs the dog to the 'gamble area'. The handler will direct the dog to perform the gamble without crossing the 'gamble line'. A dog must earn the minimum number of opening points in addition to performing the gamble successfully in order to earn a qualifying score. Two qualifying scores are required to title at each level.

For complete rules of the titling classes, please refer to the ASCA Agility rulebook. www.asca.org.
