## President's Message

April, 2010

The hens have all gone broody, the heat's been turned off & the windows opened, and the grass needs to be mown...it must be SPRING!

We all had a great showing at Spring Fling in March. The Farm Trials were (as usual) a BLAST! If you haven't seen or participated in one, you have got to attend our next ones at Jubilee in November. It really is a showcase of how valuable our dogs are in a real work environment!

At the regular arena trials many legs were earned, and at least 1 Working Trial Championship was attained. And in the conformation venue, several Aussies were awarded their Championships and we have a new Hall of Fame Kennel in our midst!

The stock trials all ran very smoothly. Cheryl had everything lined up and in order with no real snags. Between hired help and a couple of 'old hands' the trials ran smoothly. And HUGE thanks go out to Dean Jennings, Wanda Mercer, Dan Sanders and Chuck Sprigs (those last two, btw, are not club members) for taking on or helping with the daunting task of getting the arenas set and ready to go on time. The same cannot be said, however, for our conformation shows on Saturday. We ran late for a variety of reasons, due in no small part to the boards not being ready on time for the first show. Yes, I was show secretary, so I take the blame for that...but now you get to hear me rant.

Folks, we have got to have more volunteers. Read the thanks in the above paragraph. Two of the folks who helped get the trial arenas ready are not members of our club and do not even live in the area! Do you realize that for the past many years, show and trial secretaries have been made up of the same handful of club members and officers? It's not hard work, but it can be time consuming. And, as you all saw in March, one hold up at the start can create

hours of delay for an entire show day.

This club cannot continue to hold as many shows as we would all like if we keep depending upon the same 6 or 7 club members who put out the effort to run these shows. We will burn them out. You, **yes you**, have got to take part. We are a volunteer organization. So, why not volunteer? It doesn't take much. If you can't devote the few hours time to being a show secretary, that's okay. There are lots of other things you can do to help: Steward for one obedience class; ring steward for the puppy or Junior classes; run a stop watch; sort livestock (even ducks have to be sorted); help the show secretary with the class boards; hand out ribbons. See? You can do any one of those things!

## Secretary's Report

### 2011 Spring Fling GAASC Membership Meeting Notes

<Pat Pierce>

These were written after-the-fact, on Saturday 19 March, 2011. Formal Minutes were not recorded, because our Secretary and president were in the Stock arena, the Treasurer was out of state at a different show, and the two officers running the meeting (BIOD member Gia Coppi and Vice President Pat Pierce) were asked to fill in because of the stock runs. As such, no formal attendance was taken, but there were 16 people at the meeting for at least part of the discussions.

#### 1) Announcements

A) Pat repeated her comment from the last GAASC newsletter, encouraging individuals to sponsor prizes for our shows – rather than having the club purchasing them from club funds.

Trisha Herring mentioned that our ribbons are quite lovely already, and that other prizes are not really necessary expenses.

It was suggested to put this as a Note in our on-line site, our Show Premiums, and on the Calendar page of our GAASC Newsletter, for greater visibility.

B) Pat also mentioned the need for volunteers for shows in all capacities. Trisha Herring, and Joe Willis both suggested this was another good thing for the Calendar page in our newsletter.

C) Gia Coppi has hard copy forms (this weekend) for folks wishing to submit any Year End Awards from wins this weekend. She explained how the forms work – and yes, they can be submitted from wins earned at other ASCA clubs (but not AKC/UKC wins). They require the Show Secretary's signature, and are mailed to Gia within 30 days of the show. There was some discussion on possibly modifying our forms for including things like Premiers at Nationals events (we haven't figured that part out quite yet – plans for this will be

discussed by our BOD at a later date).

#### 2) Nationals 2013

Trisha Herring brought up how numerous folks across the country have approached her after Judging assignments, about GAASC hosting the 2013 Nationals. Evidently Pete Dolan has even offered financial help to the club, to do this.

Renee has heard similar queries, from her job on the Nationals Committee.

We (the BOD in particular) do plan on discussing this at a later time.

#### 3) Year End Awards

Gia Coppi announced all the 2010 Year End Awards, and presented the certificates and custom award winners embroidered crate beds to those winners in attendance. They had the Club Logo, the dog's name, and the name of the award one, embroidered on the beds. Those in attendance thought the beds were a really pretty prize, and were encouraged to work towards next year's program. One must be a paid GAASC club member for the year, and submit your dog's wins, to be qualified for the program.

#### 4) Ending

We didn't adjourn the meeting – because we had forgotten to actually call it to order. We did however, disperse and get our dogs ready to show in the second conformation show and on additional stock runs in the stock trial.

Below are a few discussion points gleaned from the day to day email communications among board members and officers.

1) Pat submitted an overview of rules governing the conduct and duties of the show secretaries. This was brought about by a vague and unsubstantiated report that our conformation judges were treated poorly at Spring Fling. This complaint was not submitted to Wendy—the show secretary, but to Renee.

2) Pat is going to present the Big

Kahuna V judges custom name tags as a judge's gift.

3) Wendy made a motion to invite Georgia Performance Australian Shepherd Club to host an agility event in conjunction with our 2011 Georgia Jubilee. The motion was seconded by Pat and unanimously approved. Wendy will coordinate with GPA.

4) Additional discussions about ASCA dog bite policy.

5) Motion by Dean, seconded by Jarilyn: GAASC will purchase a half page advertisement in AT to showcase the 2011 Georgia Jubilee. Cheryl would like the advertisement to be for Georgia Jubilee, but also list all other GAASC events. Gia has agreed to put this together and submit it to AT for publication in the September/October edition. Approved unanimously.

6) The board discussed moving Georgia Jubilee to the first weekend in November this year due to schedule conflicts with the ASCA Nationals. While no formal motion or vote was made the board agreed, after much discussion about other AKC and ASCA events scheduled around the same time, to move the event to November 4<sup>th</sup>, 5<sup>th</sup> and 6<sup>th</sup>. Additionally, there was talk of adding a conformation show on Friday; making a total of 7 conformation shows that weekend.

These are the highlights of your board's discussions. There is much more; the passing of Suzanne Kinman, the fate of the agility computer, offering a cash payout to HIT Stockdog at Jubilee, Tracking Trials, and upcoming GAASC events.

Respectfully submitted by GAASC Secretary Dean Jennings on April 12, 2011

A Note from Magic

To My Adoring Subjects -

As Queen of All I Survey, and the undisputed Minister of Mayhem for the Bartz Household, I deign to acknowledge the hard labours of my beloved Uncle Spooky, who has earned great renown for his ASCA Rally skills and collected three beautiful Pads Of Resting for his efforts. The household's humans have obliged my demands, by installing them as my own personal Throne of Lounging in our abode, in a spot where I may conveniently survey my surroundings, and leap up to discipline the intruding squirrels and chipmunks through the living room window, should they dare to approach our bird feeders without my express permission.

May I express my Gracious Thanks to my Uncle and our handler for his efforts on my behalf, and also to GAASC for providing me with my new and luxurious Throne.

Signed,

Her Beloved Majesty Magic of Nitestar, Keeper of the Kong, Snitcher of Biscuits, Chief Squirrel Disciplinarian, and Obedience partner to the Vice President
