As I sit here at the computer and look out my back door I have a beautiful view of the multi-colored leaves of the oaks framed against a clear October sky. The temperatures are perfect, and I am drawn again and again to memories of past autumns...most especially autumn of 1998. I'd had Aussies for only a handful of years and had only recently joined the club.

The 1998 GAASC Jubilee was my first ever club event, and my first experience in the trial arena. My started run with my first Aussie, Sheila, went about as well as I could expect. What I didn't expect was the warm, friendly welcome I received from everyone from the stock arena to the conformation arena and everywhere in between. Not only was I hooked on Aussies, I was hooked on GAASC.

Sixteen years, many GAASC events, and many more Stockdog trials later I'm now on the eve of being an entrant in an ASCA Stockdog Finals. It's a strange and wonderful feeling to look back on the accomplishments and work that brought me here.

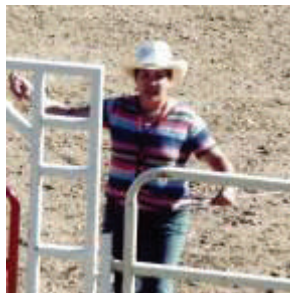

And it's strangely wonderful to look back at GAASC's work and accomplishments over the past year. Things have not always gone as expected: our original Paw Thaw date being iced out, and rescheduled as an even bigger event in April with the introduction of the new Rally program; June's Stockdog trials caught us by surprise with only a handful of entries; and Big Kahuna's first fully functional Rally trials blew us all away with the number of entrants and qualifiers!

We're a strong club, with good support for all of our venues. But, we have dwindled in numbers (current membership stands at ~30) and we really need more volunteers to run or help out at shows, particularly Spring Fling and Jubilee. Our mentoring program has drawn in some new hands at the Conformation arena and some who will be learning to run an Agility trial, but GAASC needs you to step up on occasion. Even if you can do no more than steward one class at a show, or pick a judge up from the airport or motel, it all adds up.

I look forward to seeing you at either the Turkey Trot Obedience/Rally trials in November and/or our annual Toys for Tots show in December (yes, we will once again crown a Dessert King/Queen and play Dirty Santa). Until then, enjoy this beautiful time of year and our wonderful Aussies.

Wendy Eldredge,

President

Minutes – GAASC BOD Meeting 9/11/10

In attendance were Wendy, Dean, Pat, Janet, Gia and Jarilyn

Old Business

Jarilyn, as Treasurer, is to put together a budget template for use at every show.

Janet moved that we have a jumpers course set up to use for MVA and \$5 run throughs at Jubilee. Jarilyn seconded, all voted in favor. We have all prizes for obedience for Jubilee, as well as show decorations. For decorations going forward, a sign, podium, flag and a few “thingies” to indicate what show it is are all we need.

All trailers have valid tags now. Something is wrong with the hitch on the stock trailer. Wendy will have someone look at it. Should be less than \$100 to fix.

Stock entries are down. New titling programs are attracting people, though. We can't really lower our entry fees to attract people because of the cost of getting the stock.

We will take the Red Roof Inn in Kennesaw off of the premiums going forward because of complaints about the place.

New Business

Liability insurance – Janet moved that we drop our liability insurance and use ASCA's that is available to us. Pat seconded, all were in favor. We will save a good amount of money. There is a form that comes with the show packets.

Jubilee Candida!

Best Veteran all 4 shows... Gia & Rain

Mitch Moorehead and Harley

ASCA Ch. After All's the Simple Life, RN (Hilton) had a GREAT Jubilee weekend! He escorted cute Miss Hannah Stevens around the ring in sub juniors, he helped Miss Allison Dyches earn her final points to achieve the 500 club (already!) for the ASCA year, and he earned two best of breeds and one best opposite over some lovely competition! However, I was most proud when I walked into the Novice obedience ring and a judge who fondly remembers Hilton's grandmother (my Spice) said, "You have big pawprints to fill." Hilton and I did not earn the 196 that Spice and I did in her first Novice A obedience run, but Hilton earned a nice 185.5 and a 2nd place. Considering how little I've trained him, I am thrilled!!! I am so happy to have Hilton back and I thank my Spice angel for helping me get him back after her death.

Thanks for letting me brag...

## Jubilee Obedience Results

---

The three-ring circus that was our Jubilee featured a small but competitive Obedience trial, and cute Halloween-themed prizes. Our judge, Ms. Angela Dayton, was very pleased with the professionalism of our exhibitors, and our wonderful stewards – who were either exhibitors or their spouses, pitching in to help make things run smoothly – or hold up the ring gates when the wind threatened to blow them over on top of the working teams. Extra special thanks to Joe Willis and Ray Sperlbaum for their hard work in taking down the equipment and packing it neatly into the trailer. They also re-set the orientation of the ring on Saturday morning, because I'd forgotten to account for a different sun position on the Utility Go Outs and Signal Exercises; if they hadn't rotated everything 90 degrees, neither dogs nor handlers would have been able to see each other due to sun glare!

Our biggest challenges were trying to get everybody ready for the Group Exercises – as most every exhibitor was also showing in Conformation, or in Stock. We enjoyed the delays, though – the day was beautiful, and it allowed the grass to dry off some more for better footing. We were all surprised that our dogs tended to lag on the grass – when their normal heeling on mats often includes forging. We also had a bit of a challenge setting the ring so there weren't any fire ant mounds in the path of any exercise. Overall, we couldn't have asked for a nicer fall outdoor morning!

## Wildfire Brags

ASCA/AKC CH Wildfire's Wish Upon a Firestar had an amazing weekend at the GAASC Heat is On show. He was Best of Breed three of the four shows to make his mom really, really proud! Then we travelled to Deland, FL where he took an elusive BOB win at the AKC show and went on to a Group 4! Yea Rain!

And his DAD, ASCA/AKC CH Kinetic's Sweet Shiraz, had a couple of nice Best Veteran wins at The Heat is On and the Jubilee. At eight years old, he still makes me work to keep up with him!

And Sage, Kinetic's Divine Design, STDs, PT, came out to play in the altered ring for the first time at the Jubilee. No wins, but he gets bragged on for just being handsome! Sage hopes to be out playing with the sheep again soon

*Thanks to the judges and to Janet Kelly and Debbie Johnson for the photos!*

## Cassie Brags

---

Cassie (Jennings' Cassey OTDs) earned her Open title this weekend at the Georgia Jubilee under the watchful eyes of judges Rick Hardin (Colorado) and Maxine Schvaneveldt (Idaho). Maxine wrote some very nice comments and I appreciate her recognizing the potential in my little blue dog. Cassie had a very nice run on Sunday and scored 104 points out of 125 to obtain her second qualifying score and new open title. We'll be trying for our Advanced Title the second weekend in December

This was a pleasant surprise. Please check it out. There was some very good and interesting information in the PDF. It is from the AKC but it was very timely. Hope by the time this newsletter is published it will still be timely.

## Spooky - Magic Brags

There's another Nitestar Obedience Dog on the horizon -

Introducing "Magic," Nitestars Superstition, a wee little girl with spunk, attitude, and zest for life! Magic earned her ASCA RN and RNX at Big Kahuna IV, training behind her Uncle Spooky by no more than 1 point in three straight ring appearances. At the end of July, Magic picked up her first two AKC Rally Novice legs in Greenville, in particular winning a class of more than 50 dogs for 1<sup>st</sup> place on Saturday! And at the end of August here in Atlanta, Magic finished her title with a 98 for 4<sup>th</sup> place, and earned a bonus leg of 99 for first place on Saturday. Magic is now officially Nitestars Superstition AKC-RN, ASCA RN RNX DNA-VP. Watch for this spunky little girl in September in the Altered rings at The Heat Is On!

Not to be outdone by his niece, Spooky earned his first AKC UDX leg in Greenville on Saturday. He followed that up with another Utility Q on Friday in August, and earned his second AKC UDX leg on Saturday. Spooky is currently USASA ranked #7 in Rally Advanced B, #4 in Rally Excellent B, and #10 in Utility B, and has earned 45 points towards the Obedience Master title, plus 4 ASCA UDX legs and 47 points towards the ASCA OTCH – and is one of only 2 non-OTCH dogs that has been invited to run in the SuperDog Obedience Finals at the 2010 ASCA Nationals in Texas. Spooky is officially A-Ch Nitestars ABump in the Night CGC AKC/ASCA-UD VER RAE2 ASCA RN RNX FFX-OG2 DNA-VP.

At GAASC's The Heat Is On, Nitestar's Superstition AKC -RN /ASCA RN RNX DNA-VP earned her first Championship point, going Winners Bitch/Best [Opposite Sex on Sunday afternoon](#). Thank you to Judge Melinda Hughes - and also to Junior Handler Extraordinary Allyson Dyches, who handled "Magic" to 2 Reserve Winners Bitch wins in Saturday's shows. Thanks to Janet Kelly for our Win picture!

Magic is owned, loved, and trained by Pat Pierce, and Carl and Teddy Bartz.

(UKC brag)

Nitestar Aussies sweep the Hickory, NC UKC Trials their first weekend out!

Nitestar's Superstition CGC RN/RN RNX DNA-

VP earned her first two URO1 legs under Judge "Mac" Rood, collecting a 4<sup>th</sup> and a 3<sup>rd</sup> placement along the way. Magic also earned her first two Novice Obedience legs under Judge Marianne Higgs, placing 4<sup>th</sup> on Sunday.

A-Ch Nitestar's ABump InThe Night CGC UD/UD VER RAE2 RN RNX FFX-OG2 DNA-VP also earned his first two URO1 legs, collecting a 2<sup>nd</sup> and a 1<sup>st</sup> placement with a perfect 100 score on Sunday for Rally High In Trial.
